# Aero India 2025

**FORM - III**

## 2. OTHER TERMS

1. Exhibitor/operator MUST provide their own tow-bars or cables, steering arms, any special connections or adapters.
2. All the rates mentioned in the given schedules exclude the GST levied by the Government of India and to be borne by Exhibitor/operator.
3. All the rates mentioned in the given schedules exclude any other fees or charges that may be levied or imposed by any other agencies or government authorities.
4. All third party charges but not limited to RNFC and TNLC, landing/parking, fueling, catering etc. will have to be settled by the Carrier/Operator directly with the concerned agency.
5. Equipment requested for standby purposes (requested but not utilized) will be charged at 50% (fifty percent) of the rates mentioned in the given Schedule IV.
6. Any additional items or services not covered in the above listed services required by any operator during Aero India 2025 may be provided by the GHA and the price/cost involved will be mutually discussed and decided between GHA and Exhibitor/operator.
7. The Exhibitor/operator may pay the charges either in foreign currency or INR as mutually agreed between GHA and Exhibitor/operator.
8. In case of delay of schedule flight as per Schedule I - Comprehensive Handling (For First Arrival & Final Departure):
  - a) Beyond 04 hours of Schedule Time of Arrival, additional 15% of the Comprehensive Handling Charges as mentioned in Schedule I shall be applicable.
  - b) Beyond 04 hours of Schedule Time of Departure, additional 15% of the Comprehensive Handling Charges as mentioned in Schedule I shall be applicable.
9. In case of cancellation of flight:
  - a) After 25th January 2025, Exhibitor/operator shall pay 50% of the Comprehensive Handling Charges as mentioned in Schedule I.
  - b) After 01st February 2025, Exhibitor/operator shall pay 100% of the Comprehensive Handling Charges as mentioned in Schedule I.
10. In case of any disbursement made by GHA on behalf of the Exhibitor/operator, the same shall be reimbursed by the Exhibitor/operator at actual cost price plus an additional surcharge of 20%.
11. The limit of liability referred in Sub-Article 8.5 and 8.6 of the Main Agreement of IATA SGHA 2018 Version shall be applicable in full. However, the limit of liability referred in Sub-Article 8.5 shall be as follows –

| Aircraft Type  | Per Incident  |
|--|---------------|
| Aircraft MTOW upto 100 Tons                                | USD 500,000   |
| Aircraft MTOW above 100 Tons and upto & including 190 Tons | USD 750,000   |
| Aircraft MTOW above 190 Tons and upto & including 300 Tons | USD 1,000,000 |
| Aircraft MTOW above 300 Tons                               | USD 1,500,000 |

12. Provision of security services like screening, manpower for security escort, etc. does not come under the purview of the AIASL and the Carrier/Operator has to make arrangement for the same separately at their end.

# Aero India 2025

**FORM - III**

### 3. PAYMENT TERMS

- **Payment would be by Online Transfer/NEFT/RTGS in advance against Proforma Invoice. Please forward payment transaction details for confirmation at our end.**
- Please provide GST and Pan Number for needful on invoicing, as applicable.
- However, all payments to be settled before the departure of the flight.

**Bank Details:**

Name of the Beneficiary: AI AIRPORT SERVICES LIMITED  
 Account No: 00600310033986  
 Bank Name: HDFC Bank Limited - Fort  
 Bank Address: HDFC Bank Ltd., MG Road, Fort, Mumbai 400001  
 MICR Code: 400240015  
 SWIFT Code: HDFCINBBXXX  
 IFSC Code: HDFC0004404

### 4. OTHER SPECIAL TERMS

- Exhibitors **MUST** provide their own tow-bars or cables, steering arms, any special connections or adapters.
- State any additional services/special ground handling instructions:

- Ramp to flight deck communication (Headset Services)
- Aircraft Pushback Service (one service included with towbar, if available with Handling Company)
- Staff for Co-ordination, Preparing & Clearance of GD, PAX, Manifest Boarding Cards

#### **b) Aircraft Servicing:**

- Liaison for fueling and defueling with the oil companies, Liaison with oil companies for replenishing of oil and other fluids, Cabin equipment (provision of services as per the requirement of the aircraft operator at mutually agreed rates), Routine and non-routine services as per the requirement of the aircraft operator at mutually agreed rates

#### **c) Aircraft Cleaning:**

- Toilet Service (one service included per flight), Water Service (one service included per flight)

#### **d) Loading and Unloading:**

- Loading and unloading of passenger baggage, Transshipment of passenger baggage, Operation of loading/unloading equipment, Position and removing of passenger stairs, Emplane/deplane passengers, Break-up/make up of baggage, Bussing of passengers/crew, Bulk loading/unloading of baggage, Catering ramp handling, Load control (as per the requirement of the aircraft operator), Communication, Flight operations, Crew administration
- As per Aircraft Type and Suitability, provision of Baggage Conveyor /Lower Deck Loader/Main Deck Loader, Diesel/Electric Baggage Tug, Baggage Trolley/Container Dolly/Pallet Dolly, Passenger Stairs, Passenger/Crew Coach, Pushback (one service included per flight with towbar, if available with Handling Company)

**e) Cargo handling services:**

- Loading & off-loading cargo on/from the aircraft, Operator/provide/arrange essential equipment for handling of cargo, Bulk loading or unloading, Customs liaison, Documentation handling, Physical handling outbound/inbound

**f) Support Services:**

- Automation/ Computer systems, Ramp fueling/defueling operations (Only Liaising), Surface transport, Liaison for customs & Immigration as required, Catering services - liaison and administration

The “Schedule - I: Comprehensive (for first arrival & final departure)” shall have the following services excluded and on additional charge as per rates mentioned in “SCHEDULE - IV - Static Display Aircraft”:

**a) Aircraft Handling:**

- Starting (Air Start Unit), Crash Trolley

**b) Aircraft Servicing:**

- Ground Power Unit, Air Conditioning Unit, Additional Pushback service, Aircraft Towing service, Storage of cabin material

**c) Aircraft Cleaning:**

- Additional Toilet Service, Additional Water Service, Interior Cleaning, Exterior Cleaning

**d) Loading and Unloading:**

- Provision of all the above GSE and services as mentioned above sub-point (d) Loading and unloading for the timing beyond completion of first arrival of the aircraft (ATA + 02 Hours) and of final departure (STD - 02 Hours) of the aircraft shall be on additional charge as per rates mentioned in “SCHEDULE - IV - Static Display Aircraft”.

**e) Cargo handling services:**

- Equipment for Physical handling of outbound/inbound Cargo like forklift, storage of cargo in Bulk Trolleys etc.

**f) Support Services:**

- Requirement of Automation/Computer systems for Aircraft Operator- Only Liaison for arrangement. Payment shall be directly settled by the Aircraft Operator with the concern agency.
